

REMARKS

In compliance with the Draftsperson's requirement, submitted herewith are formal drawings, amended to remove extraneous material in the form of text boxes. In addition, the requisite petition with fee and amendment to the specification were filed on October 23, 2001 and January 22, 2002, respectively. It is believed that the application is in condition for issuance. Early notice of approval of this amendment and issuance of the patent are therefore respectfully requested.

Respectfully submitted,
